REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE,
BANGALORE.

To

N. Rama Rao, Esq., B.A. B.L.,
Secretary to Government, Development Departments,
Bangalore.

Sir,

I have the honor to forward, herewith, a copy of letter dated 10th March 1930 received from Mr.S.Narayana Rao, Honorary Organiser of Co-operative Societies and to state as follows:-

2. Besides the other items of work, such as organisation and inspection of societies entrusted to the Honorary Organisers, their services are also utilised for disposal of suits referred to arbitration. Under the rules in force, for work done at Head-quarters they are not entitled to any remuneration. On the analogies cited by Mr. Narayana Rao it is but fair that they should be paid some remuneration for the services rendered by them in the Head-quarters particularly in connection with the disposal of suits referred to arbitration.

3. I may add that the services of these gentlemen at Head-quarters are availed of only for the disposal of cases by arbitration, wherein the claims are barred by efflux of time or which cannot be for similar reasons be disposed of by the officers of the Department. The suggestion that the charges paid to Honorary Organisers may be recovered as costs of the suits from the defendants cannot however be accepted.

4. I therefore request that the same rates of Daily allowance they are in receipt of for halts in the course of journeys on tour may kindly be sanctioned to them on the days their services are availed

availed of for the disposal of suits.

I have the honor to be,
Sir,
Your most obedient servant,

K H Ramayya

Copy of letter dated 10th March 1930 from Mr. S. Narayana Rao, Hon. Organiser of Co-operative Societies, Bangalore, to the Registrar of Co-operative Societies in Mysore.

==========

In continuation of my D.O. dated 30-4-29, re: the disposal of suits referred to me for arbitration, I write to inform you that I have heard the suit filed by the Mysore Lancers' co-operative society against Captain Basavaraj Urs and 4 other defendants and the same is awaiting my award.

I should like to know whether I can claim daily allowance at least for the days I have spent on this suit.

On the analogy of debiting the costs of commission etc., in Civil Courts and the remuneration due to liquidators of co-operative societies, it is a point for consideration as to whether the costs up to the limit of daily allowance, at least, may not be charged to the suit and included in the award. Stamps for the plaint have been levied from the plaintiff society and the value thereof is recoverable from the defendants as costs of the suit.

If, instead of hearing a suit, at Head-quarters, an arbitrator does so, elsewhere, beyond 5 miles, would he not be entitled to claim either D.A. or mileage as the case may be? It does not stand to reason that because he hears these suits at Head-Quarters, he should be deprived of the benefit of Travelling allowances. It is believed that members of the Legislative Council and the Representative Assembly are allowed to draw daily allowance, whenever the Council or the Assembly is in session. In the case of certain Banks, daily sitting fees are allowed to Directors, whenever they attend meetings.

On the analogy of the instances, quoted above, I would request you to kindly fix my allowance for the days I spend on these suits, and let me know the source from which I can claim the same in this case.

I shall thank you for favour of an early reply.
